# Drop A Pebble, In The Water

We stand at the front door of the past welcoming each day that passes through, watching tomorrows become today.

Today, time has stopped, a minute is still a minute an hour is still an hour. And yet, the past and the future hangs in perfect balance. All focused on the present.

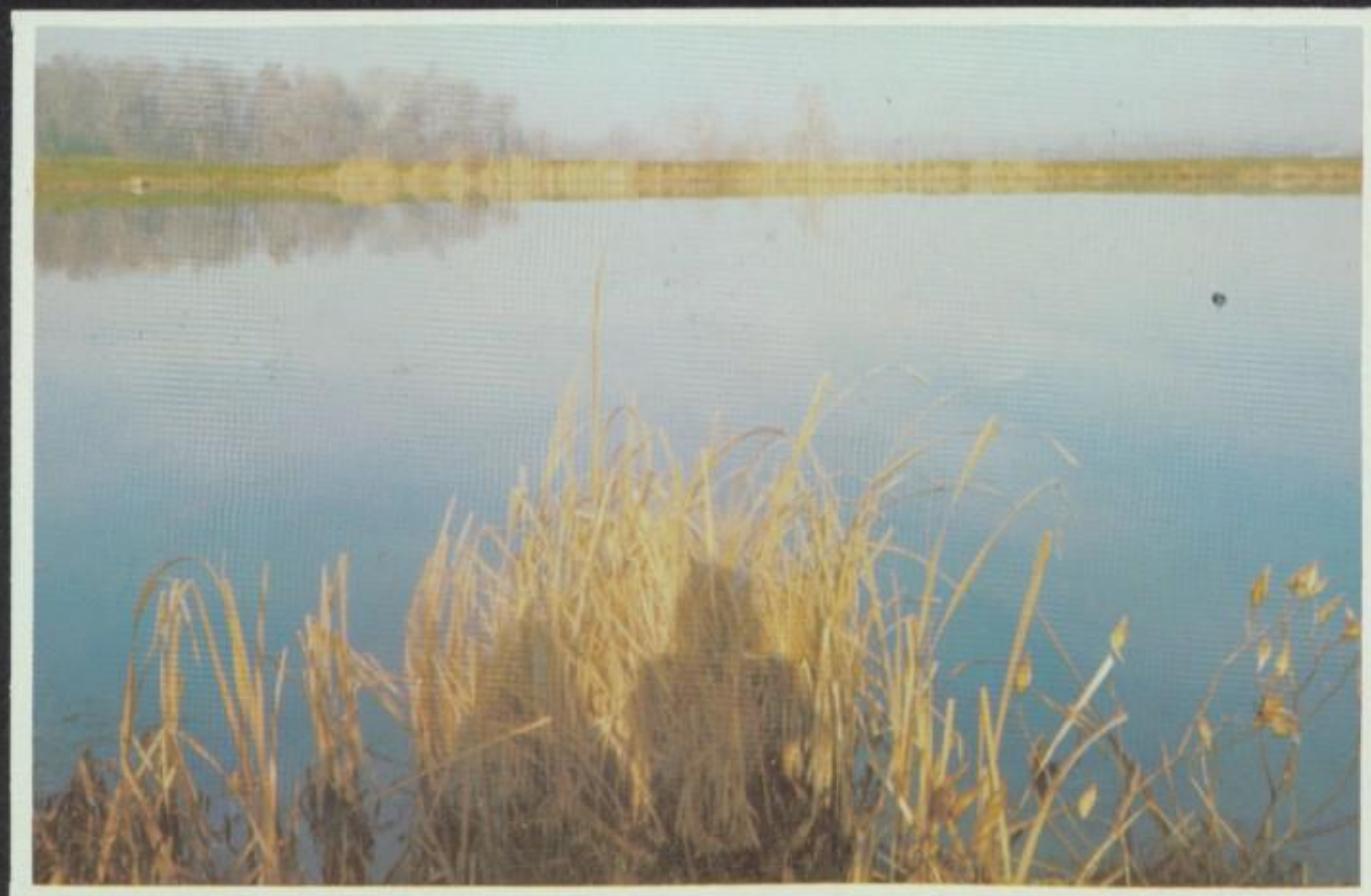

Each day has its burdens, of triumph, of defeat, of laughter, of bitterness and in our hearts, hot and restless is where our school spirit is kept.

The school works up with cries and struggles to its climax; but when the great moment comes, and the very top pitch of tense emotions is to be expressed, the students stand voiceless, and motionless in the extremity of passion.

The swift passing of forgotten faces, the echoes of voices now forever still, and the tinge of times of happiness now nevermore possible.

In our dreams we hear the turn of the key that shall close the door of the last year.

Just A Splash; And Then It's Gone ...

# DAILY LIFE

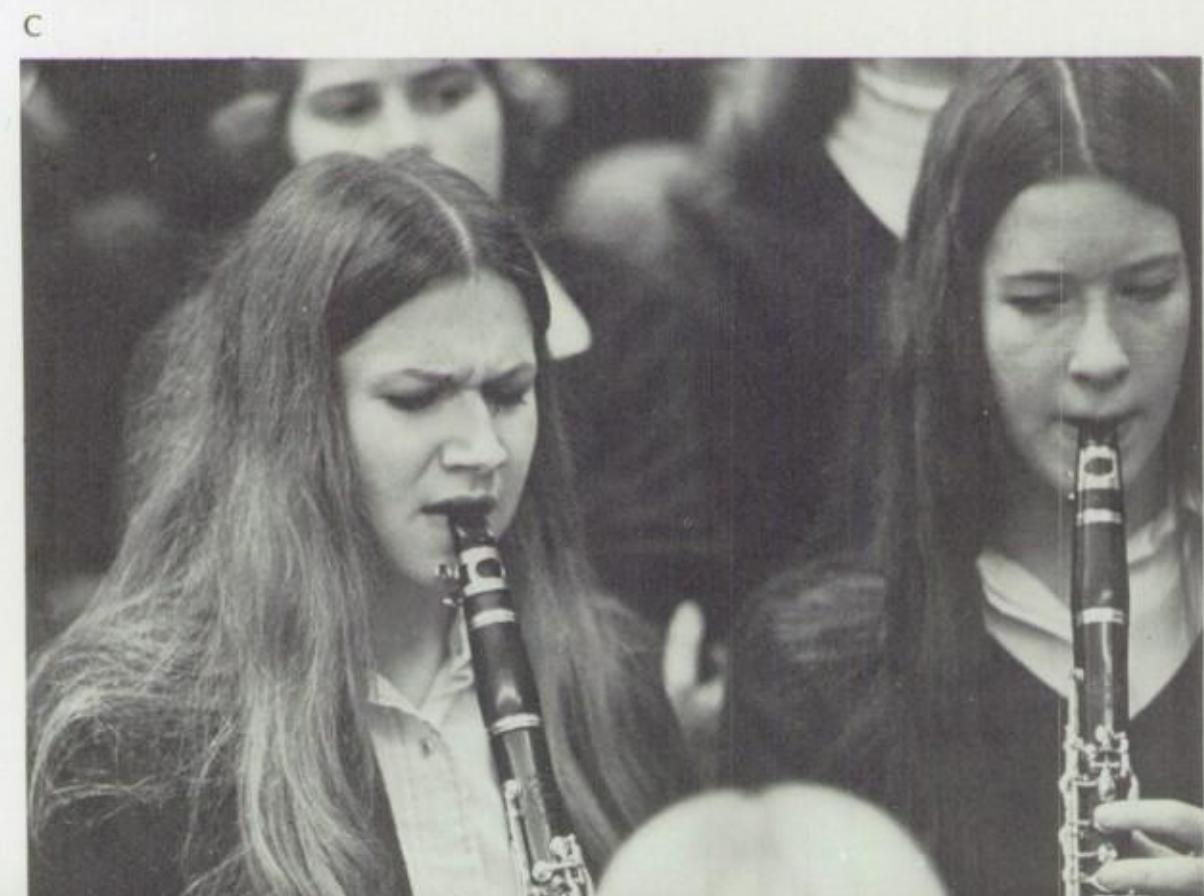

# School Isn't So Bad

Sometimes students like to show their spirit in other ways than by just saying it. During the school year there are ballgames at which the band and Damsels perform and dress up day at school to root for our team. We wear crazy socks or crazy clothes, we sing songs, play music or just plain cheer to show our school spirit. Wrestling, track, and girls athletic events also get people involved.

## Choir Believes in Performing

The '74-'75 Swing Choir made their first appearance at this year's Pops Concert. Choral Director Mr. Ralph Phillips, said, "I thought the Swing Choir went over tremendously. The audience response was great and I think the kids were pleased." He added that it was the largest audience ever attending a Pops Concert.

# Students Show Their Spirit

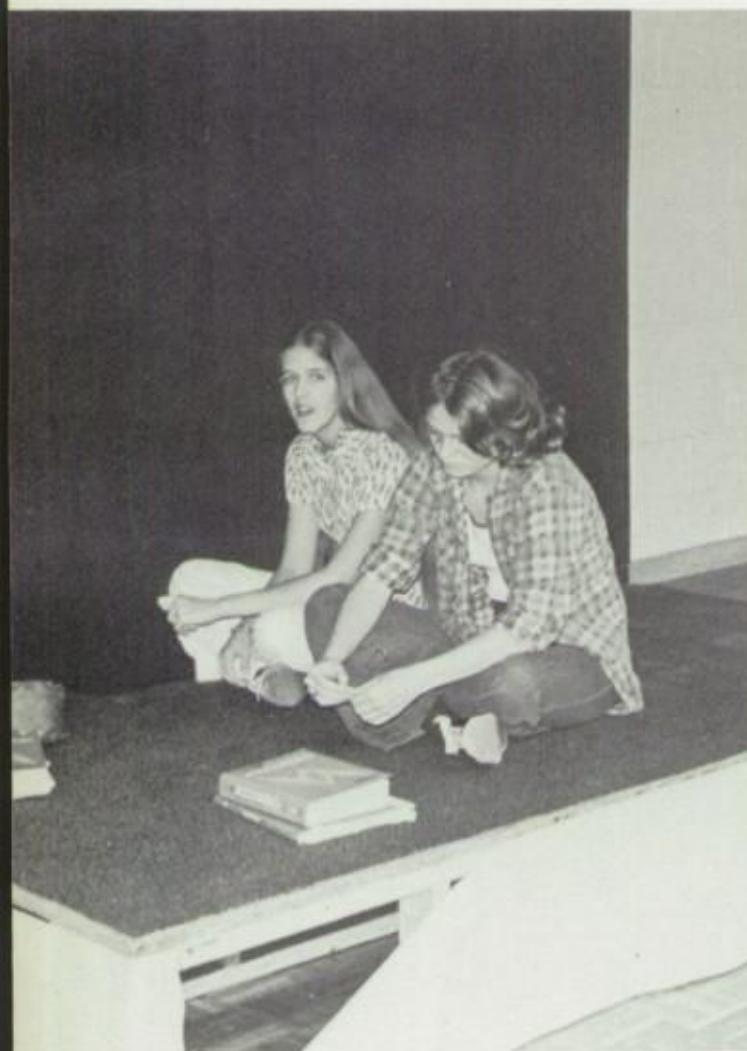

In Many Unusual Ways

"That's the last time I say something bad about the school mafia," says Lee Ruble.

"What makes your hair so curly?"

Cindy Toschlog and Julie Setser take time off from practice.

Betsy Freeland shows her school spirit on crazy sock day.

# 1975 Homecoming Crown—Willie and Mary

"We made more money off of Homecoming than we ever have," stated Mrs. Backmeyer, sponsor. "This year the Student Council hired "Arcade" a band from Richmond and they were a tremendous success." The general feeling of the students was favorable over all. The king and queen were crowned at the dance. The '75 Homecoming King was Willie Wilburn and the Queen was Mary Nocton.

Mary Nocton reigns as Homecoming queen

Homecoming court included, Juniors Barb Williams and Keven Hurd; Sophomores Robin Sadler and Rodney Turner; Freshmen Kim Gwin and Steve Esarey.

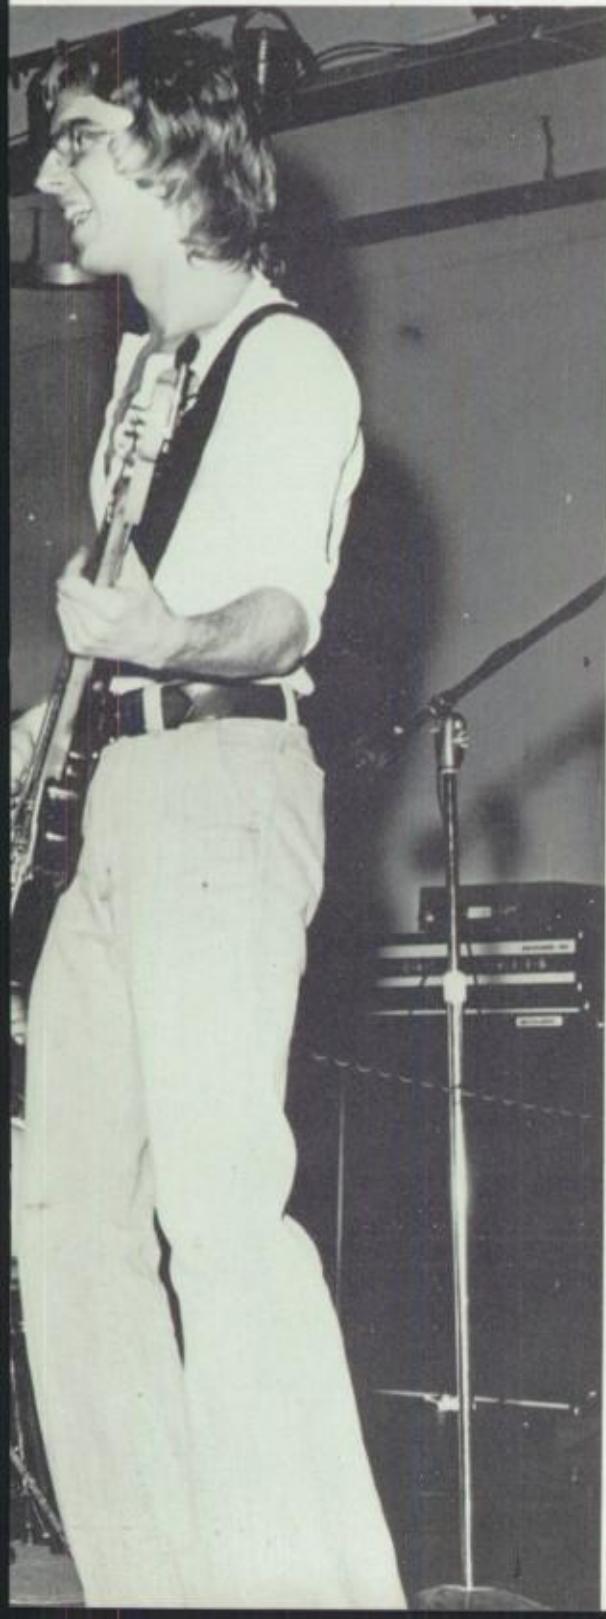

Mary Nocton and Willie Wilburn were picked Homecoming queen and king, by votes from the 9th through 12th grades.

Happiness is ... A Homecoming win.

## Drama Club and Swing

Swing Choir and Drama Club both did an excellent job before leaving for Christmas vacation. Many students had comments and those performing were proud about what they said. Comments such as, "I thought it was better than any we've ever had." Mrs. Longnecker, Drama Club sponsor said, "Everyone involved worked enthusiastically and hard to put on a funny production. We all had a good time doing it." The kids used all their ideas and I think it was a success. Judy Ward exclaimed, "I think it was the funniest thing I'd ever seen!"

Even the office got in the Christmas Spirit.

## Students Show Much Interest In

Some students excel after school as well as during the day. These are the outstanding students here at Northeastern. Whether they are athletes, artists, majorettes, cheerleaders, or musicians and journalists, they all share an important role in the survival of school spirit and team work.

# The Jocks May Inherit The Earth, But They Won't Stop The Varieties Show.

—REX JENKINS—

The Varieties Show always featured outstanding senior soloists. Above: First chair trombone player Andy Jenkins played an Arthur Pryor number, "Blue Bells of Scotland".

First chair trumpet player Judy Ward played a Mexican number, "Jamalia Beguine"

Approaching the last night of rehearsals, the need arose for a "filler" number between two larger numbers. Above: Michelle Wise and Jo Anne Ingabrand improvised a very successful and funny routine.

"Everybody gets in on the fun," said one senior Swing Choir member. The Swing Choir traveled to various community activities

throughout the area. Above: The Swing Choir sang a tribute to the 1950's in the Vari-

eties Show with "Hoopa Hoola", a popular 50's number.

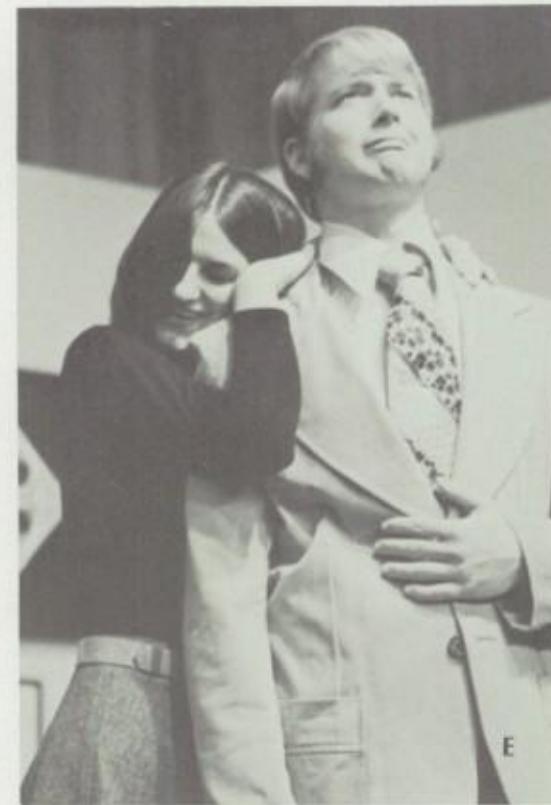

Above: Becky Bowers sang "Please Release Me" in the Country section. Below: Some of the Damsels perform "The Highland Fling".

Above: The choir and Damsels join forces to put us in the Christmas spirit with their giant ceiling-to-floor Christmas tree. Below: The two men most responsible for the tremendous production, Rex Jenkins and Ralph Phillips doing another skit.

# People

It was "the most hectic, busiest, wonderful year of all" to most of the NHS seniors.

There were memories of ball-games, tests, and getting our senior pictures on November 14 and swapping them with other classmates. Our senior key and a million other happenings are just memories of the past and will never quite be the same after graduation.

The 8th graduating class had 119 members. Of course, we lost some in January's mid-term, but fifteen of these returned in May for the graduation exercises.

Many seniors will remember the first senior class Christmas party where we exchanged gifts after taking down the tree.

Government and senior English were tough but we all lived through it.

Through the tears and sorrows, tests and trials, it all paid off on May 25 when the class of 1975, decked out in green and gold, sat through the combined baccalaureate and commencement exercises with smiles everywhere.

11th grade class officers, Front Row, left to right; Ronnie Greeson, Leasa Coddington, Doug Heighway, Mindy Pardo. Standing: Mrs. Keys, sponsor, Patty Crome, Mr. Lower, sponsor

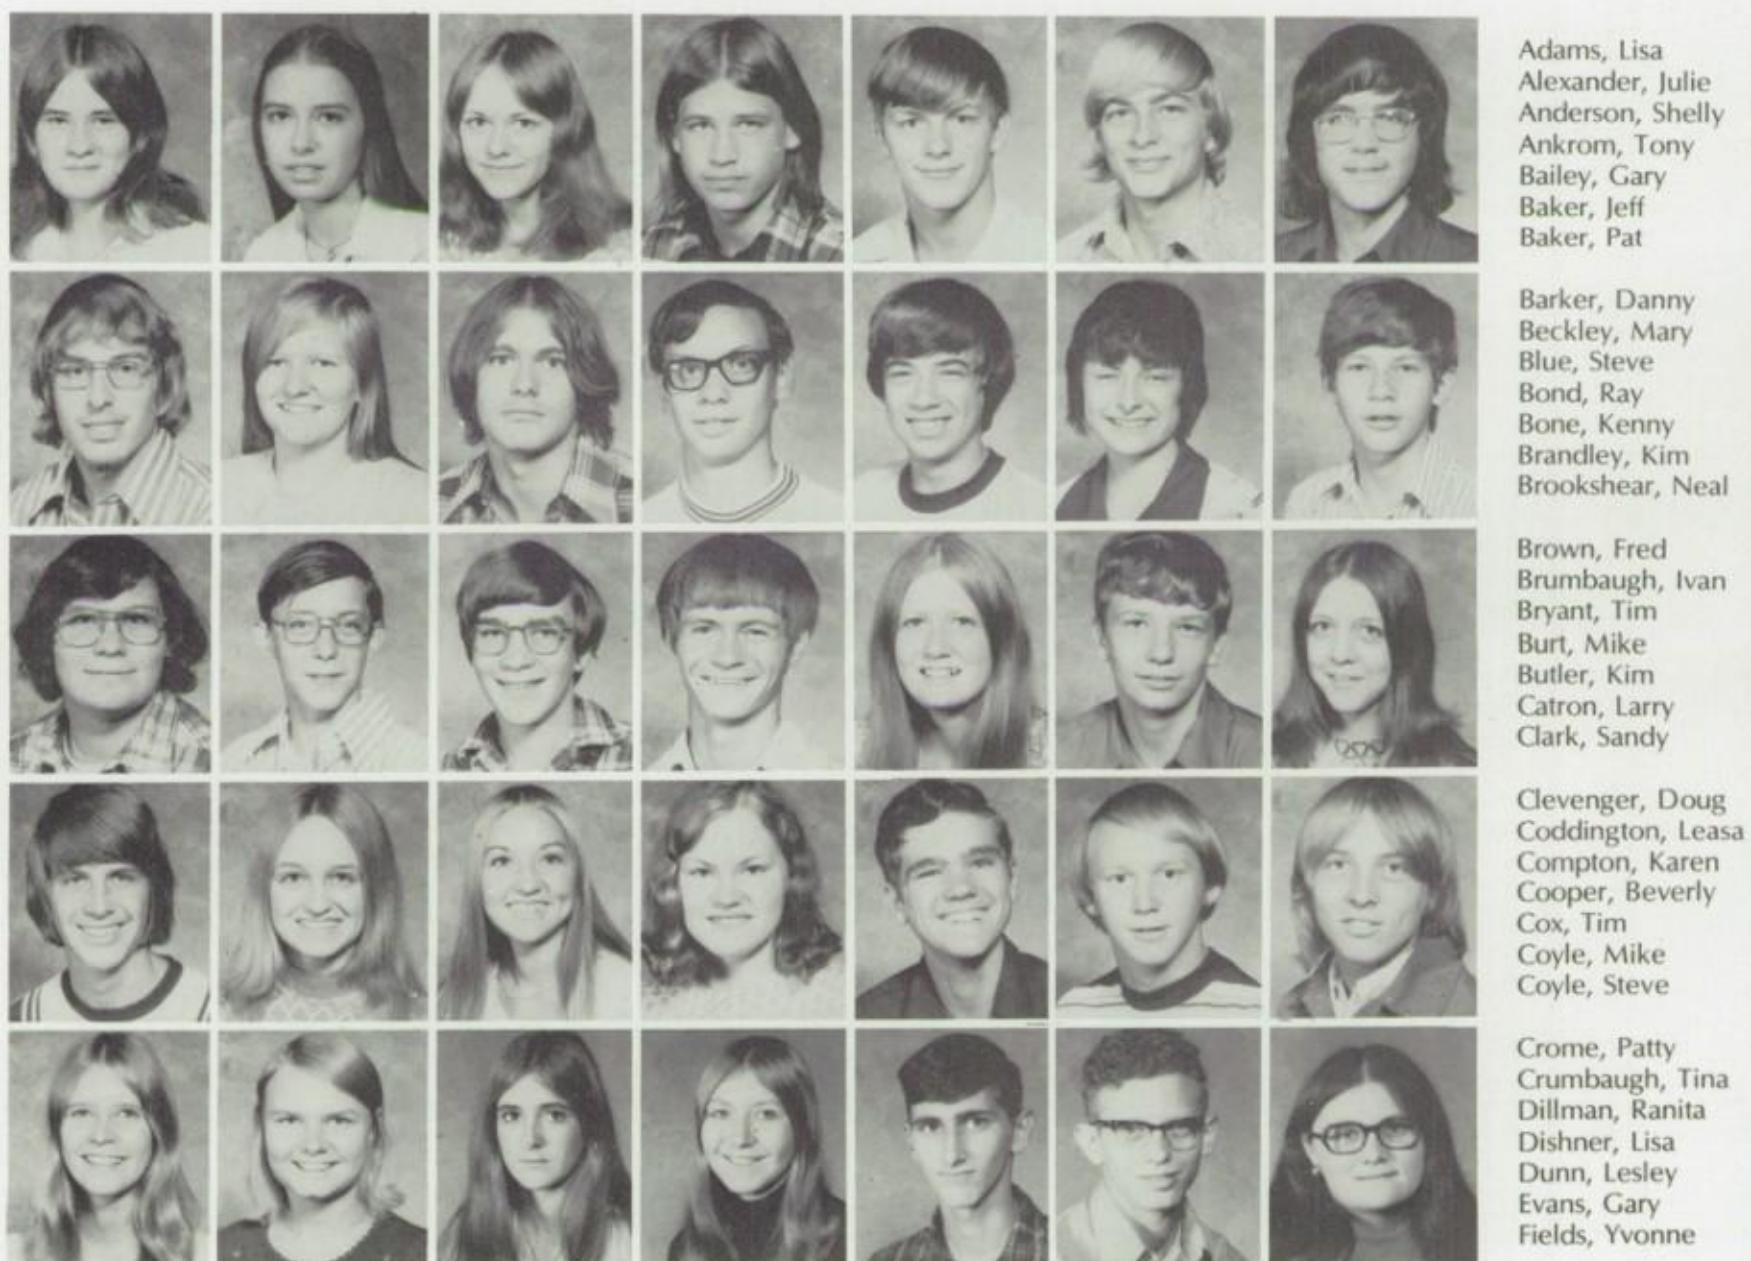

It has been a fast moving year for the junior class. Magazine sales and the Junior-Senior Prom all have made it a busy year.

Juniors sold magazines as a contest, and collected \$1907.52. Prizes were given to Mindy Pardo, Mike Morris, and Julie Winters for highest sales.

May 10 marked the date of the prom, "Evening In Paris".

Many juniors took college entrance tests while others are trying to decide what they have to offer life.

Junior Patty Crome said she was "waiting for the responsibility of being one of the leaders of NHS and to make next year the best year yet."

Sophomore class officers, Front row, left to right, Doug Wright, Mrs. Ridpath, sponsor, Robin Sadler, Julie Barker, Diana McDermitt. Second row; Jim Allen, Mr. Marker, sponsor, Mr. Bauamer, sponsor.

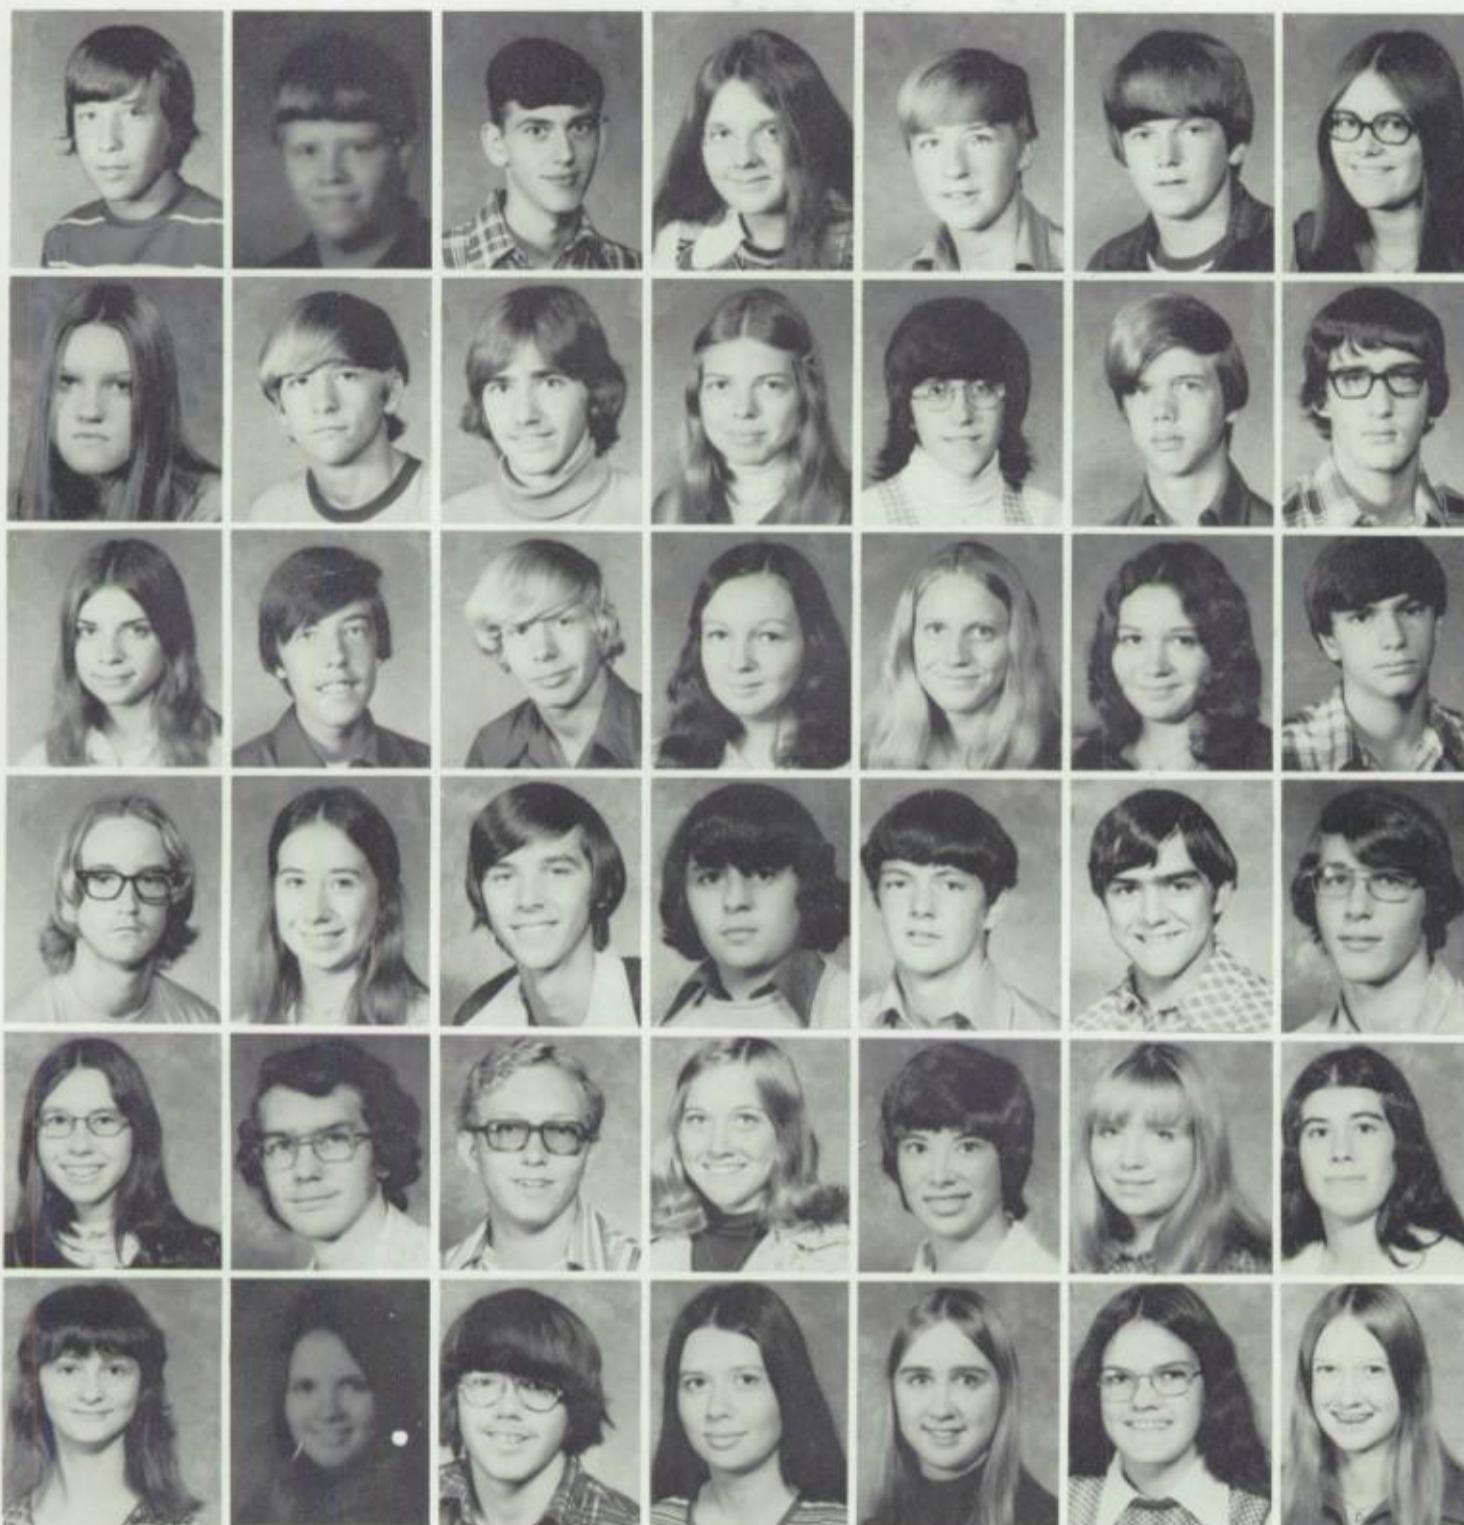

The sophomore class helped to promote school spirit by making a school crest emblem. In the graphic's class, Sophomore Bob McEwen and Tom Legear did the silk screening, and many sophomore girls cut them out. Their aim was not to make money, but to promote school spirit.

Sophomore Rod Turner had this to say about his sophomore year, "I think it's been pretty cool, and I could dig it, and the sophomore year was what the fans like to see."

Some sophomores received their driver's license which was a big experience for the students, and an experience for those teachers who taught driver education.

Freshman class officers are from left: Front Row: Steve Esarey, Brian Kenworthy. Standing: Tammy Montoney, Rodney Harris, Mrs. Williamson, sponsor, Mr. Sims, sponsor, Tammy Legear.

A highlight in the class of '78 was ordering their class rings in the spring of '75. Freshmen will receive their rings in their sophomore year.

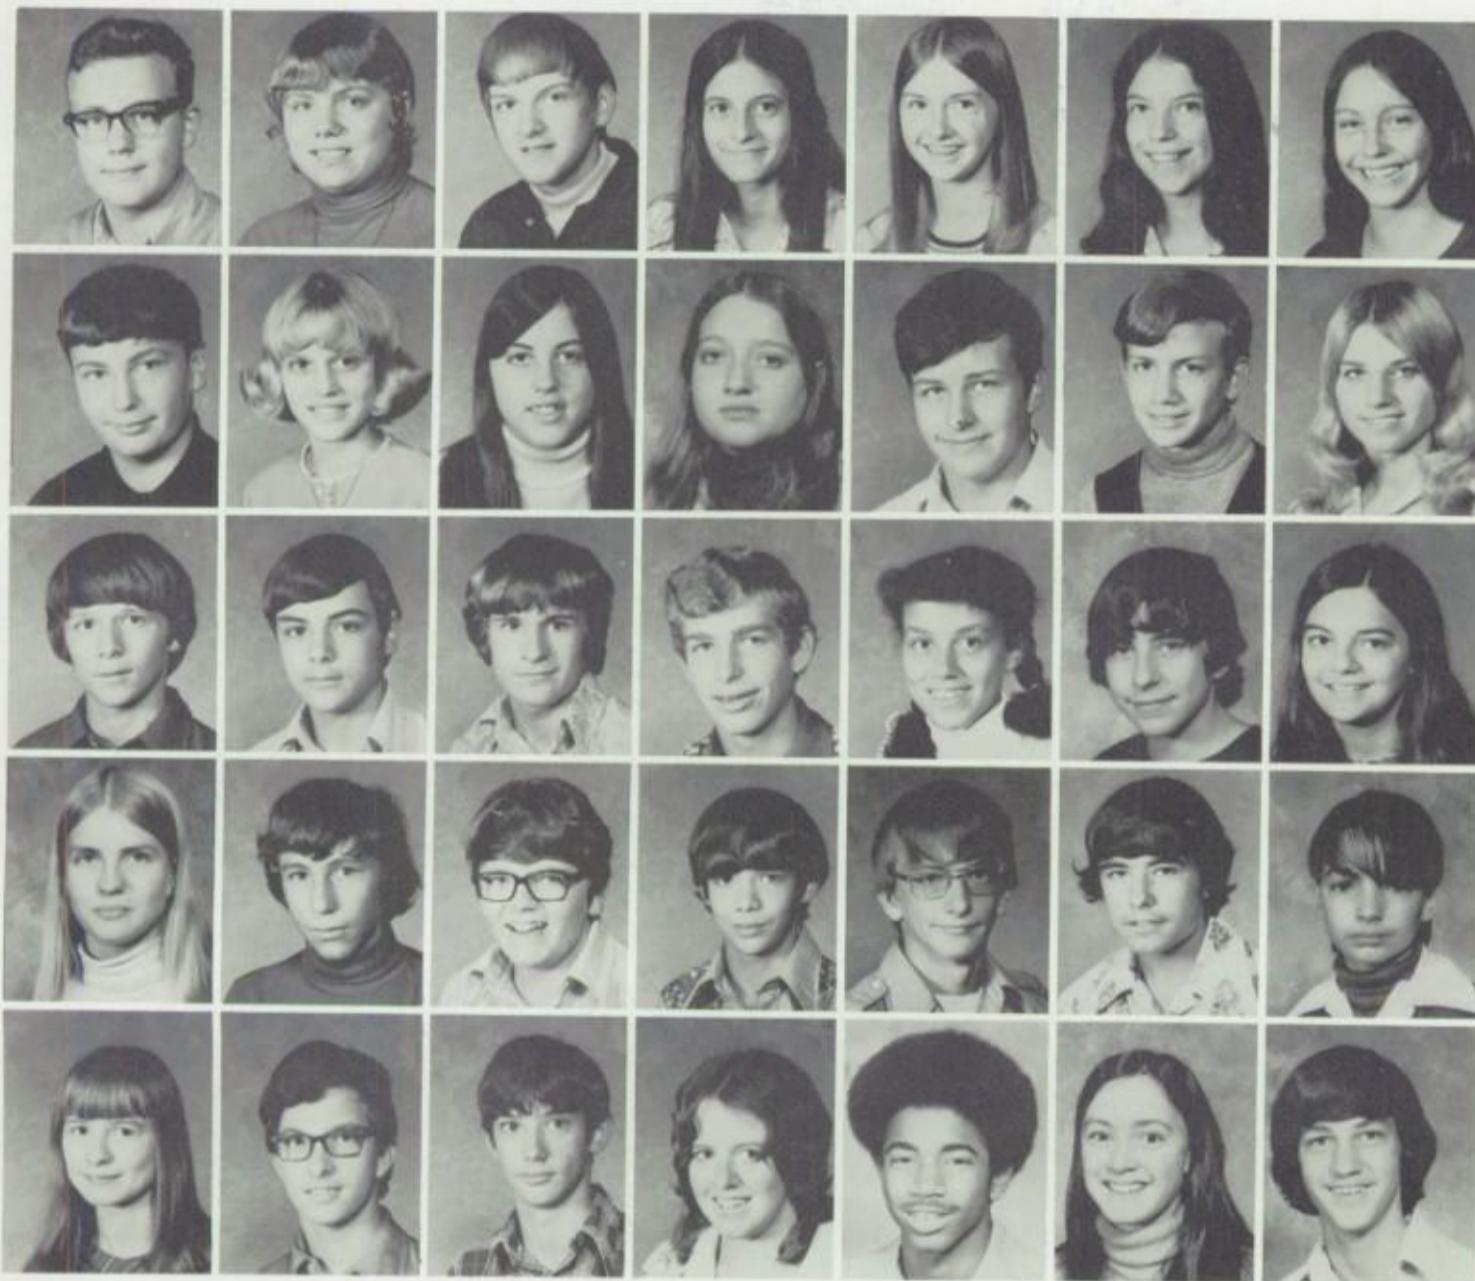

The class went to see "The Trial of Billy Jack" for a class party early in the year. About 50 attended the show.

Freshmen seem to care about people. Mr. Riddle's Home Room S-2 won the Red Cross Drive as they collected 50 dollars.

Renee Utsler feels this way about her freshman year, "This year the freshmen have shown more spirit, even though the 8th grade did out yell us at one of our pep sessions. The greatest thing about this year will be ordering our class rings. My freshman year was really a blast!"

Eighth graders say the thing they like best about the eighth grade is not being the "little kids" anymore. One eighth grade student said, "Each year something changes, some for better, and some for the worse."

The eighth grade had more officers this year. It was decided that communication would be better if officers were elected from each home room instead of the class at large.

Every class gets to have a party once a year. This year the class of '79 decided to have a sledding party. Unfortunately it was scheduled too early and was cancelled due to "lack of snow".

This year has been one of excitement and learning for the seventh grade.

New teachers, new surroundings, and different students faced them on their first day. Forgotten locker numbers, wrong class rooms and dropped lunches all add to the long list of new experiences faced by the seventh graders.

As the year progressed, so did the seventh grader. Each day they seemed to grow a little more sure of themselves.

The class of '80 should be on their way to making their next years at NHS the happiest of their lives. They should look up at the seniors with respect, because one day they too will be the leaders at NHS.

# Art—An Expression

Art—where a student can put his imagination and talent to work. Some take it to be taking an easy class but to others it's as important as English or math.

Mrs. Baker hopes "each student perfects their own abilities and always strives to keep reaching for a higher level of performance."

Mr. Baumer's main goal is "to better prepare the students of NHS for the employment market."

Mr. Sutton commented, "It is the hope that whenever our students apply for positions of work, they will have been given all the basics possible and can apply them in the offices where they work."

# To Sum It Up—Math

## Equals Problems

"I hope to teach my students to think for later life and prepare them for college," commented Mr. Moore. That's really a good thought because there's hardly any occupation that never uses math. Maybe that's why it means so much to the teachers who teach it.

## C.F.C.

The Crusaders for Christ (CFC) had a busy and exciting year in '74-'75. Besides the many guest speakers that visited the club, some members also gave presentations. The club decided to give a gift to the NHS Library in honor of the late Gary Stults who was a past president of the CFC. A highlight of the year was a bus trip to Disney World in Florida, March 13-16.

## Honor Society

The Honor Society membership increased in '74-'75, and had almost doubled since the past year. The members were faced with debt in the club treasury, and set a goal to get out of debt by spring.

Fund raising was accomplished by sponsoring a fifties dance, and selling NHS T-shirts.

## Drama Club Performs In Christmas Act

"Due to the nature of the organization, we were always doing things a little different than the ordinary," commented Mrs. Longnecker, sponsor.

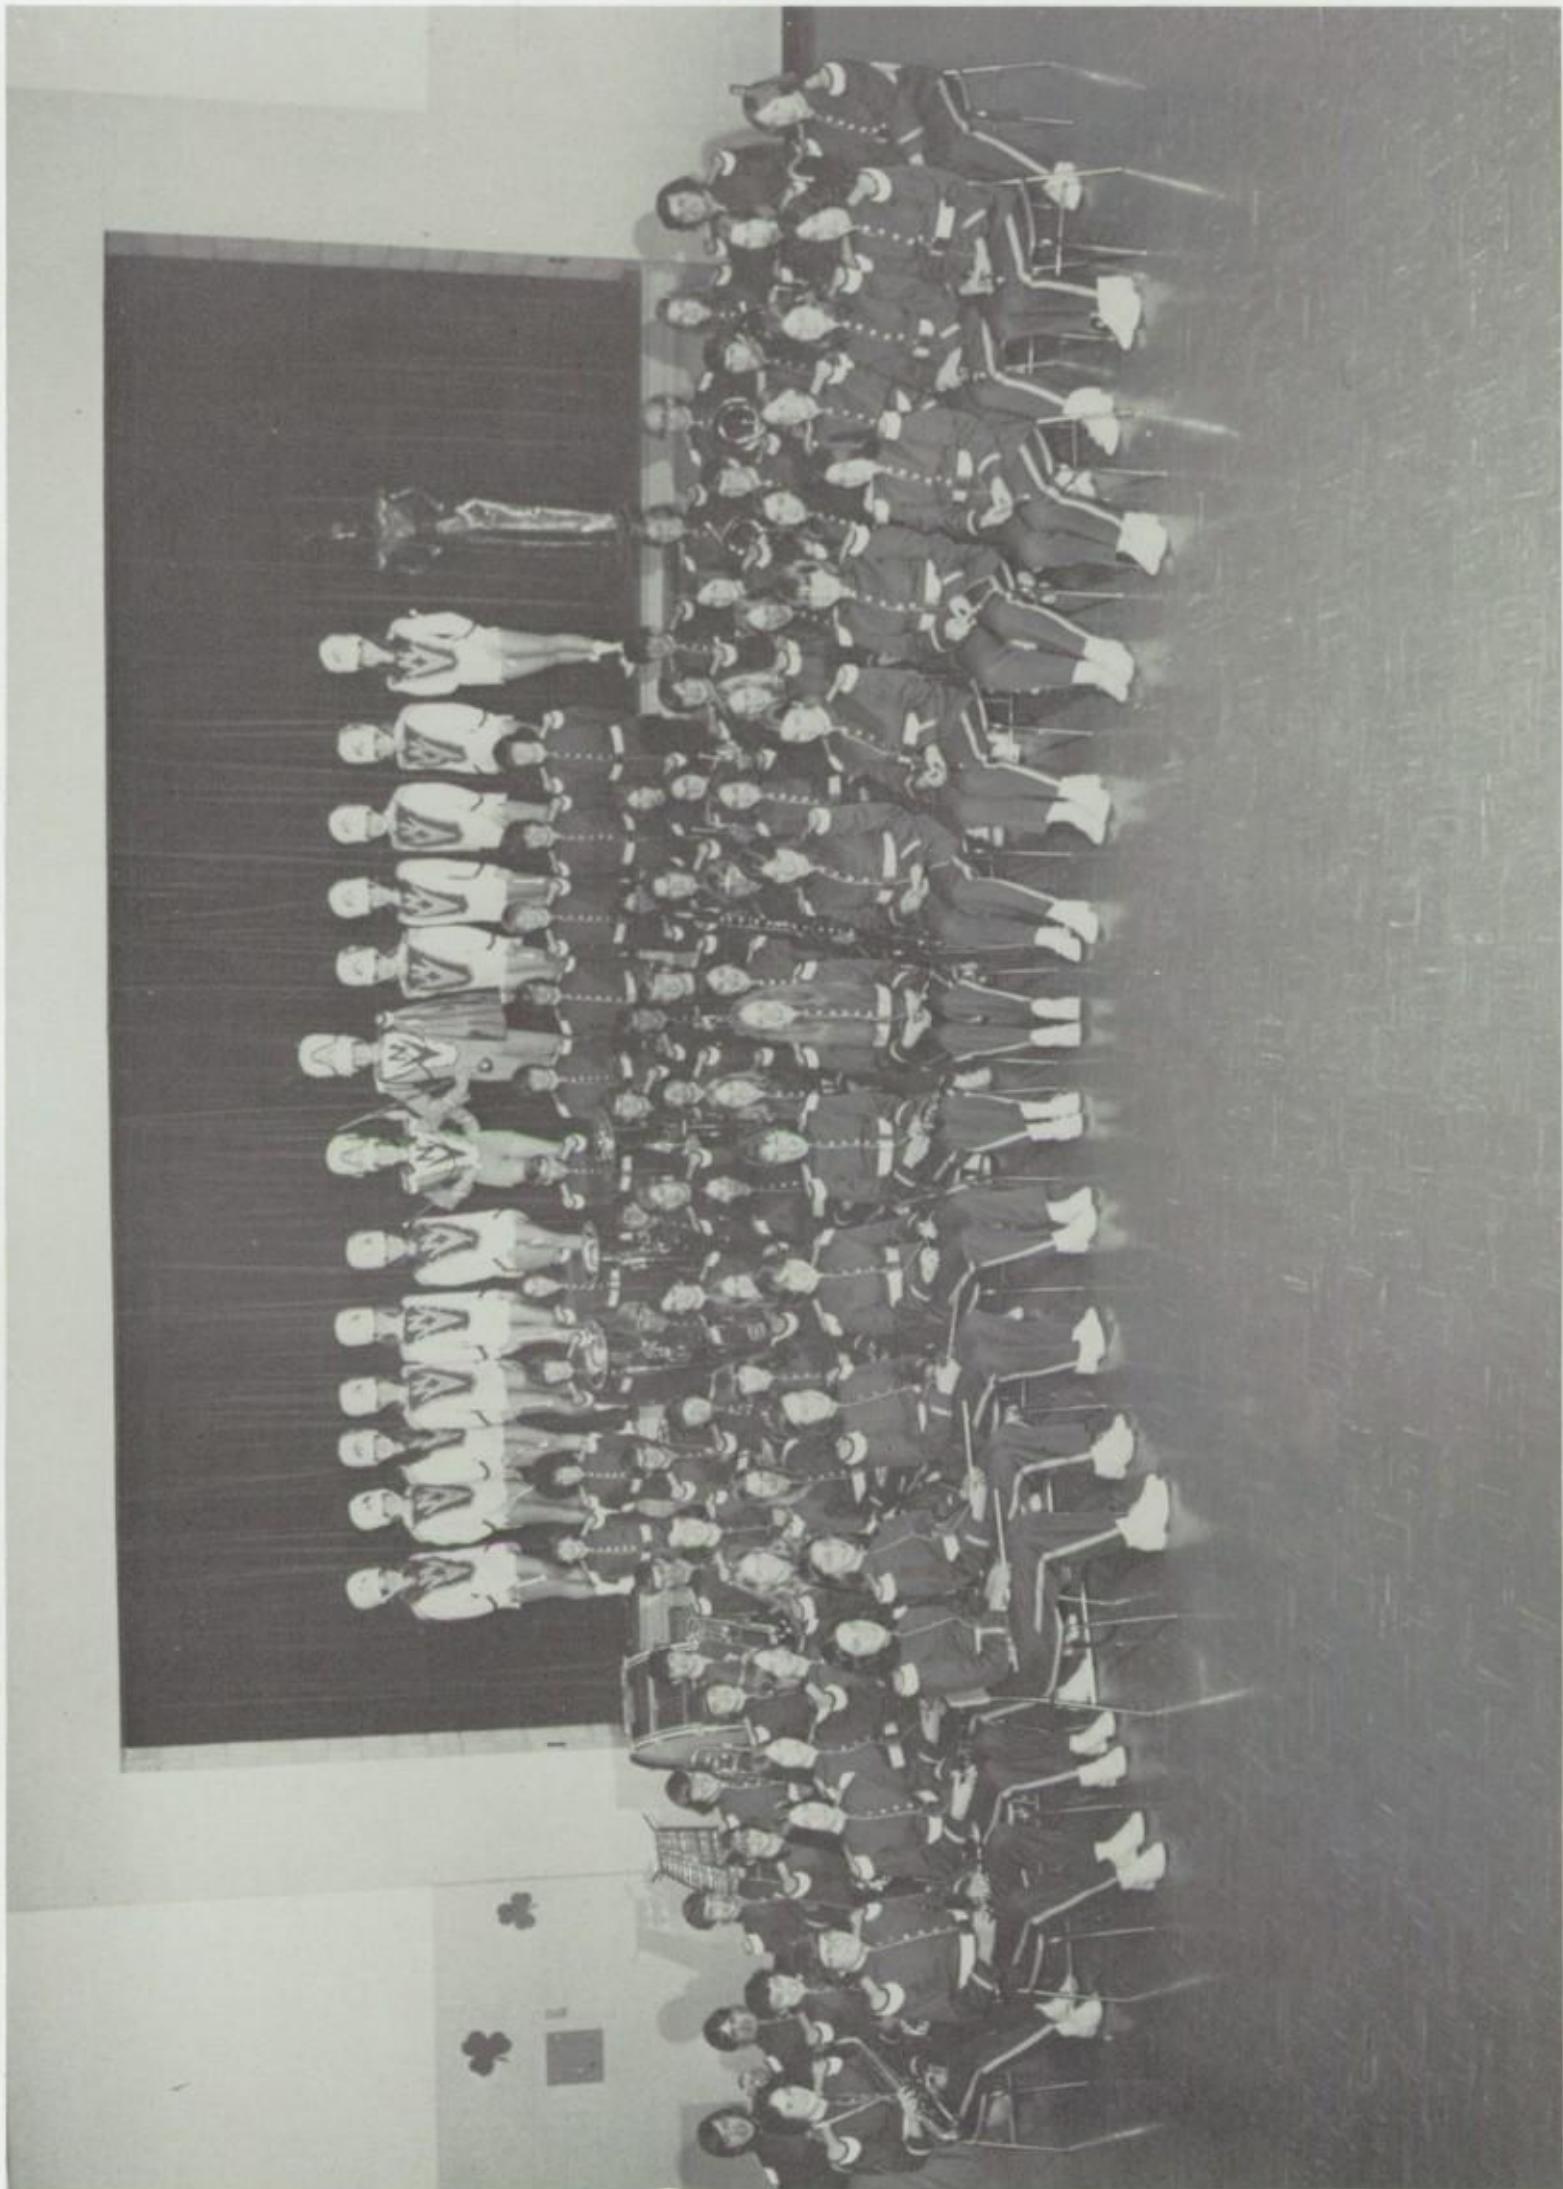

Drama Club gave two performances of the skit, "A Visit From St. Nick" to start the Christmas vacation.

In April the public was allowed to see a three-act comedy play entitled, "Oh Promise Me," performed at NHS. One senior member stated, "I think everyone should be in Drama Club. It's an experience where you can act like someone else." The Drama Club spent many hours practicing, but the effort was very worthwhile.

# Damsels, And Junior High Squires

## Band

"The size of our band is always increasing," stated Mr. Rex Jenkins, NHS Man of Music. There were 94 in the band and 20 in the Damsels Corps, who performed in the basketball games and concerts.

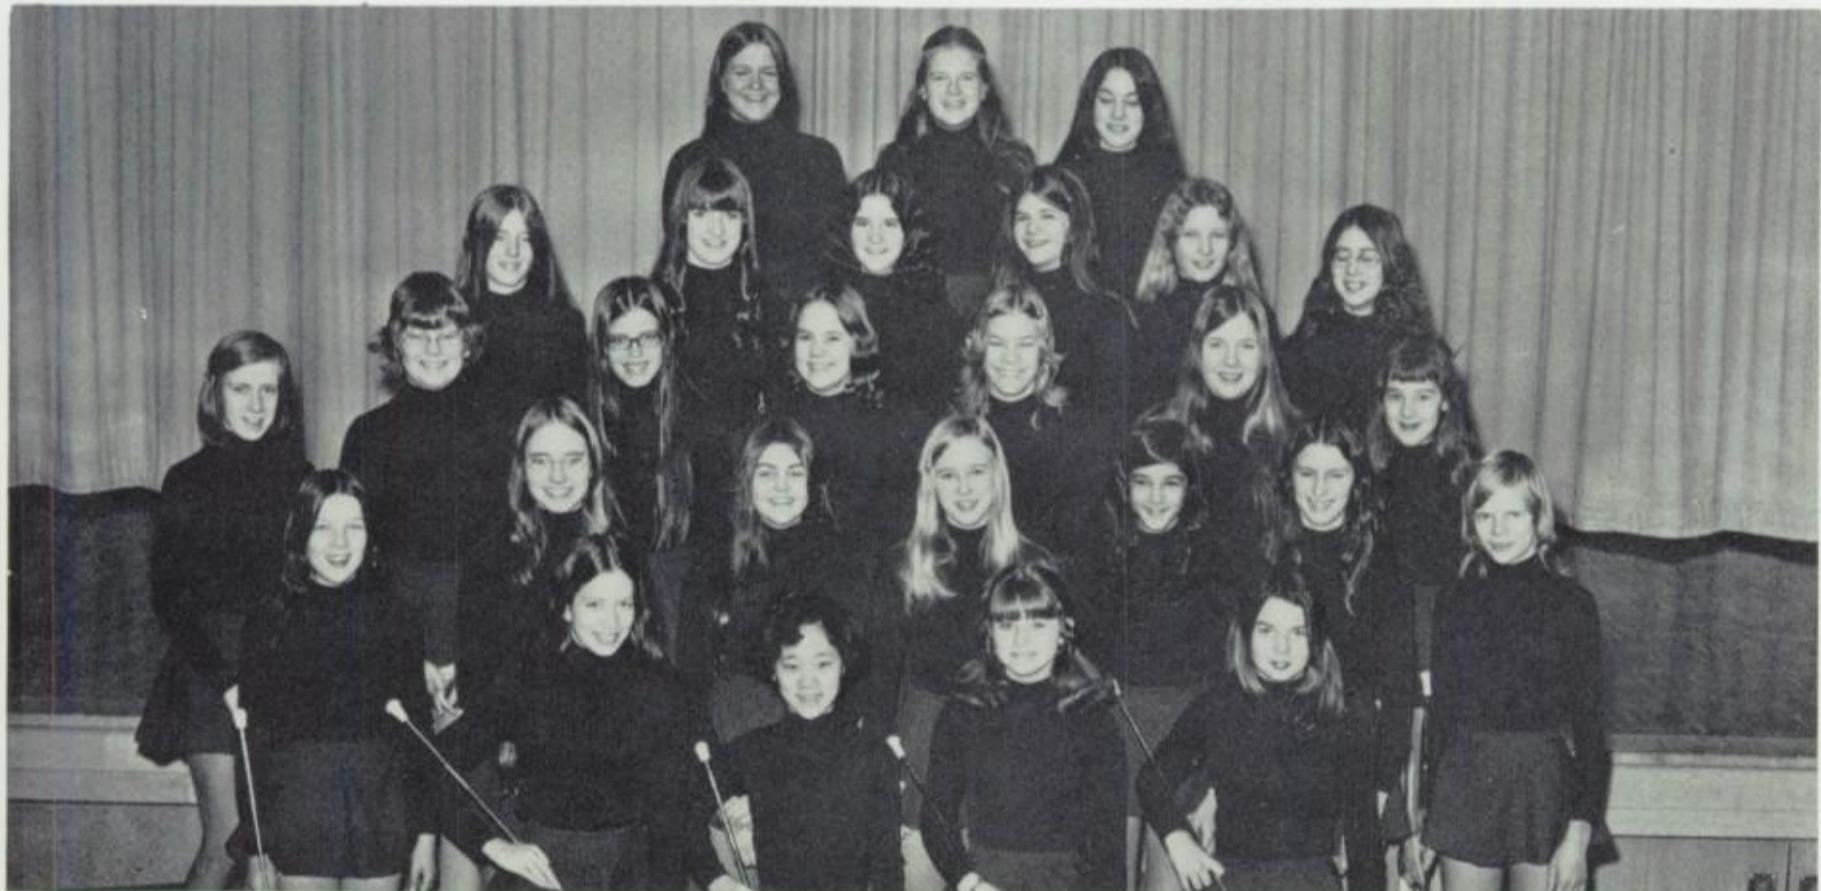

With football coming to NHS, the band took advantage of what warm weather there was to practice their marching skills. The May concert said its last public thank you to the graduating band members.

## Damsels And Squires

The 18 Damsels and 27 Squires performed at the half-times of the home basketball games, the Variety Show, and in a Twirling Show. Along with the preceding activities the girls began practicing for half-time performances at the home football games, an added activity over the previous years.

"The Swing Choir was one group in which you could learn what it is to be in a traveling show group," commented one senior member. The Swing Choir performed at school functions including the Christmas show. Another senior member added, "We learned one show, performed it about 20 times then learned another show."

## Choir

The 62 members of the choir this year showed their spirit and ability by entering the Muncie Choral Contest and sponsoring and participating in many concerts here at NHS. The choir performed a Country and Western and Christmas section in the annual Varieties Show. The choir decided to change from suits and formals to choir robes and raised \$1,022 in a funds raising campaign.

## Jr. High Band

The Jr. High Band continued to be outstanding as in years past. This year the 51 students played at the solo and an ensemble contest at Muncie and they all received 1st and 2nd ratings. The band also played in the Christmas, and the Spring Concert.

## Glee Club

The forty girls in this years Glee Club sang in many concerts. Under the direction of Mr. Ralph D. Phillips they performed in the Pop's Concert in early October and the Christmas Concert.

"Glee Club is a really great experience, and it helps develop the girls' voices, which is a great help for those that go into the choir," commented a senior member. Mr. Phillips, said, "The girls always amaze me."

Despite bad weather and running out of gas, the 22 members still managed to take 7,000 pounds of paper to the recycling plant in Brookville. A member said, "It was great."

## Latin Club

Another new organization this year was formed by about 20 Latin students. One senior member said, "I'm glad enough students cared enough to start the Latin Club. We learn a lot about how the Romans lived and at the same time had fun."

Latin Club attended the state Latin Banquet in costume and also built a catapult and entered it in a catapult contest.

# Science Club Members Learn To Experiment

## Science Club

The Science Club continued to delve into the unknown, or at least that's the impression the sponsors had. It seems the club operated in secret, although a clever staff member discovered that the members were responsible for special presentations. The sponsors were seldom able to attend the meetings and were in the dark about the club's secret doings.

## Spanish Club

The 74-'75 Spanish Club seemed to be secretly connected with the "Secret Society of Scientists" or as we laymen would say, the Science Club. The only thing that happened, and that could vaguely be connected to the club was that Miss Wright, sponsor, arranged for two exchange students, Ingrid Trost, and Merisa Pereira to come to NHS.

## Art Club

The Art Club sponsored the Art Scholarship Fund as their philanthropic activity. A considerable amount of money for the funds were raised by two projects; a bake sale and a stationery sale.

Mrs. Baker commented, "As a teacher my goals are to help students to be more aware of their environment and to install within them the desire and ability to enhance that environment through art."

## Student Council

"The Student Council had a very productive year," said one senior representative. Andy Jenkins, Council president added, "We made a lot of money off of Homecoming, and with that money we managed to get a pay phone for the students and a suit of armor for the library." Mrs. Linda Backmeyer, advisor, commented, "The Student Council is finally getting the respect of the students."

## H.O.T. Club

The Homemakers of Tomorrow started the year by entertaining the bus drivers and school board.

The girls helped NHS by entertaining the North Central Committee and their guests March 4, 1975.

Secret pals were nice to have this year among members. They sent each other cards and exchanged gifts during Christmas.

## Cadet Teachers

This year there were 61 cadet teachers at NHS and the classes they helped teach varied. One senior commented, "When you cadet teach you begin to learn what a teacher has to go through, and cadet teaching has been a great learning experience. I think that I have learned a great deal through teaching, especially not to get excited, but to be patient, calm, and understanding."

The yearbook staff added 16 pages of color and an index with names of all the students and faculty in the school.

"I as editor think everyone did a beautiful job and made my senior year worthwhile. I learned to love and know everyone better and I think the yearbook has been a wonderful success," replied Editor Kathy Rose.

## Journalism I

Journalism I classes had a great rivalry about who published the best issues of the "Days of the Knights" printed by Mr. Seider's graphics classes.

This year we've had smaller individual newspaper staffs, and this makes everyone work harder," commented Mr. Cole, adviser.

## Girls Athletic Association

GAA is great for girls interested in sports or in meeting new and different girls. This year GAA increased by a large amount.

Candle sales were very good as they made over \$2,200.

This year GAA added badminton to their sports and they went to State competition.

## And Then It's Gone ...

As the '75 school year draws to a close, so does the completion of another LANCE. Many hours were spent during and after school and on vacations to put our yearbook together. The staff members worked diligently throughout the entire year.

While the work progressed, the staff hoped their purpose was portrayed to the reader. This goal being able to capture in picture and in word, the important events of our school year.

Of course, the staff was unable to recreate all of these happenings, but we tried to fully emphasize those in the yearbook.

As one can see, the job of producing a yearbook is not possible for one person to do. But, with the

cooperation of many people it was possible.

Our advisor, Mr. Gary Cole, played the most important role in our work. He was willing to give many hours to the yearbook staff. He made the '75 LANCE possible. A special thank you goes to him from the staff members.

Most worthwhile projects require more than the usual effort. My staff members were willing to put forth this extra work, so necessary in the making of a great book.

I would like to say thank you to this dedicated staff and to all persons making the '75 LANCE a reality.

Each of the following jobs was upheld by these staff members:
